PUBUDU DISSANAYAKA

Undergraduate

Profile

I am currently pursuing a Bachelor of Arts in Criminology and Criminal Justice, driven by a deep commitment to understanding the complexities of crime, justice, and societal response. My academic journey has fostered a strong interest in the intersections of law, psychology, and social policy, and has equipped me with the ability to critically analyze criminal behavior and the effectiveness of justice systems. I am particularly passionate about contributing to evidence-based reforms that promote fairness, accountability, and public safety. With a solid foundation in research, ethics, and legal principles, I am eager to apply my knowledge and skills in real-world settings that support justice, rehabilitation, and community well-being.
